Dear Friends in Christ,

May the Risen Lord bring you joy and peace.

Before Christ left His disciples, He said, "Go out to the whole world; proclaim the gospel to all creation" (Mark 16:15). This command is the reason Mission San Jose/Saint Joseph Parish exists and continues to breathe the life of Christ in the hearts and souls of those who come here searching for love, hope, and faith. We thank you for your works, prayers and support as we continue to live out His mission even in the midst of the pandemic.

We truly miss you and want to celebrate with you. For that reason, we want to reach-out to you. Recently we formed a Neighborhood Outreach Ministry. Its mission is to let parishioners in "neighborhoods" know that we care about them. We want to connect and share with them our amazing God and community of faith.

Covid 19 has separated us for awhile now. It is time to reconnect and share our faith, joy and vibrant community full of ministries ready to serve everyone. Soon, we are going to launch a parishioner-to-parishioner friendraising campaign. Here is how it will work:

First, we found 30 neighborhoods where our people live. **Second**, two-people volunteer teams in each neighborhood will reach out via e-mail, phone or in person to each registered parishioner. **We are not soliciting anything – only reconnecting with you to let you know that you are greatly missed and prayed for.** We may share with you what we have going on in the parish and answer any questions you have. ***When one of our Team members contacts you by email, phone or knocking on your door, please welcome them.***

This is a massive endeavor worthy of our efforts because our people deserve it. Therefore, we have asked Don and Lauri Kaefer to lead this Neighborhood Outreach ministry.

And please find me and say hello after one of the Sunday masses. I truly want to meet you.

Yours in Christ,

Fr. Anthony Huong Le
